I find that often times political cartoons can express a sentiment just as strongly as words do, and occasionally I post them here for you to see. If a picture is worth a thousand words, this is worth at least 50 billion more… Published in National Journal's CongressDailyAM on June 9,...

I find that often times political cartoons can express a sentiment just as strongly as words do, and occasionally I post them here for you to see.

If a picture is worth a thousand words, this is worth at least 50 billion more…
