NOTE: Due to the extremely high volume of faxes my office receives, I am unable to respond to all faxed inquiries. The best way to get in contact with me or my staff is by email or by telephone. I encourage you to contact me ***by phone, or email***, especially if time is of the essence.

IMPORTANT UPDATE: Following the anthrax attacks, the Capitol Police now screens and irradiates every piece of mail before it can be delivered to my U.S. Capitol office. This is unfortunately resulting in delays in delivery of letters and packages. So that I can assist you as quickly as possible, I encourage you to contact me by ***phone or email***, especially if time is of the essence.
